ABOUT US

Learning Opportunity For Kids

Welcome to **Growth Garden**, a trusted and compassionate **autism therapy** and **child development center** in Surat. We are dedicated to supporting children with autism and developmental challenges through personalized therapy programs and professional guidance.

Our goal is to help children improve communication, behavior, learning abilities, and daily life skills in a positive and nurturing environment. With the support of experienced therapists and structured intervention plans, we work closely with parents to ensure steady and meaningful progress

At Growth Garden, we provide autism therapy, speech therapy, occupational therapy, and special education under one roof, focusing on the overall development and confidence of every child.
